UNITED STATES DEPARTMENT OF AGRICULTURE,
BUREAU OF ANIMAL INDUSTRY.

The blue and the red sections indicate the area
quarantined on account of splenetic, southern, or
Texas fever of cattle, effective March 15, 1911.

As the quarantine area is subject to change at
any time, this map should be used only in connec-
tion with the complete regulations and rules to pre-
vent the spread of splenetic fever in cattle. These
may be obtained from the Chief of the Bureau of
Animal Industry, Washington, D. C.
